Pastoral Care update

We have been approached by Pret a Manger with an offer of food donations. They are looking to donate food on a Sunday evening which is either on or near to sell by date for us to distribute to those who are in need.

Little Wrens now have a lot of families who are struggling and would really welcome any donations of food so we are planning to pass what we receive to them.

Starting on Sunday 16th June food will be delivered to the hall at 6.15 pm and we need a volunteer to receive the donation to put in the fridge ready for collection by Little Wrens in the morning. If anyone would be prepared to help with this please speak to or email Sue.

Project Update

We are beginning to receive responses from contractors who have been approached to tender for this project. Not all contractors have responded to date but some will be coming to view the site over the next few weeks. All tenders need to be received by 28th June and at that time we should have a better idea of the real cost of the project.

We will need to do some serious fundraising so any suggestions of things that can be done to generate funds would be greatly appreciated. We will also be looking to apply for grant funding which will involve submitting some quite detailed applications so if anyone feels able to help with our this do please speak to Fr Kevin, the Churchwardens, other PCC members or Sue Hoad
