Full of Life Fair 2026

Richmond Council's annual Full of Life Fair for older residents and carers is back at Allianz Stadium in Twickenham on 30 October 2026 from 10am till 3pm.

This free, all-day event for residents aged 55+ and carers brings together over 70 local organisations, services and activity providers, offering advice, information and opportunities to live healthier, happier and more connected lives.

Visitors can try activities, access health and wellbeing support, get help with technology, learn how to stay safe online, and discover local groups and services, all under one roof. There will also be a spotlight on dementia with drop-in sessions to hear talks, ask questions and get practical advice.

You can find out who will be at this year's fair, and what activities are on offer at richmond.gov.uk/full_of_life.
