Kew Gardens – Free Community Access Reminder

Here's a reminder that All Hallows is part of the Kew Gardens Community Access Scheme which entitles us to 60 free visitor admissions throughout the year. So far only three people have taken advantage of the offer. The scheme is designed to benefit those who face barriers to visiting the Gardens independently including people with physical or mental health conditions who can be accompanied by carers, family and friends. This annual membership expires on 31 October.

If you would like to take advantage of this scheme, please contact: Joyce Griffiths, Community Liaison Officer who will be able to supply you with access details for All Hallows members.

Email: ahtwickjbg.org.uk.

Richmond Dementia Services Directory

We have received two copies of this Dementia Services Directory which contains very useful information on health services; finances and benefits; legal issues; organisations offering help and support; equipment and assistive technology; and dementia helplines. One copy will be made available at the back of the church, and Joyce Griffiths will hold the second copy which can be loaned out as required.

Thank you to Kings Clarinets for a wonderful afternoon of Clarinets and Cake last Sunday. Everyone who attended had a real treat.
