Groundworks Progress Report

It has been a busy week for this project with lots of evidence of chambers etc being installed in the ground to solve our drainage issues. Solutions to our foul water waste have also been planned and will be implemented in the coming weeks.

Please be careful when walking between the church and hall.

Please continue to help our fundraising efforts

Offer your time and talents to organise a fundraising event.

If you know of any sources of funding please speak to Fr Kevin, a churchwarden or PCC Member.

All suggestions and **offers of help** will be appreciated because we are only a small team.

Please also encourage friends and family to support us.
