## **Groundworks Project Update**

Work is expected to start in the last week of August or the first week in September. Please pray for the standing committee as they have the final few meetings and keep this project in your prayers over the coming months.

We still need additional funding for this work so if you would like to make a donation please use the QR code or donate via our website

<https://www.allhallowstwick.org.uk/>

and click on the button at the bottom of the page.

We really need to have regular fundraising events to raise funds for the project and need people who can come up with ideas and organise events. Please think about what you can do.
