Cloisters Update

This vital project has uncovered extensive rot to the wood and brickwork underpinning the roof. Before the gutters can be replaced, further remedial work is required to ensure that the fabric of the building is in good order for the future. This involves some quite complex work to replace timbers and will

add significantly to the cost of the project. It will also mean that the time needed to complete the work will also be extended.

Kew Gardens

Time is running out for parishioners and friends to take advantage of free entry to Kew Gardens as part of the Community Access Scheme. The scheme is designed to benefit those who face barriers to visiting the Gardens independently. It applies to people with physical or mental difficulties, their carers, family and friends. Our membership expires on 31 October and, since uptake has been very small, will not be renewed after that date. If you would like to take advantage of this scheme, please contact: Joyce Griffiths, Community Liaison Officer email: ahtwickjbg.org.uk

Please continue to pray for all those with health issues.

Also please pray for all those affected by the recent flash floods in Nepal and Tibet, and earthquakes in Indonesia, Peru and Colombia, especially for all who have lost loved ones.
