Groundworks Update

Work has progressed this week with the installation of the tank and pump and additional installations in the garden area.

Due to the poor state of the foul water drainage from the hall toilets, there will be some additional essential work in front of the hall to replace the pipework and manholes and the whole of this area will then be resurfaced with tarmac.

This work will necessitate closure of the Erncroft Way entrance to both vehicles and pedestrian for two weeks commencing 1st June During this time the hall toilets will not be usable.

It is also likely that there will be no access between the church and hall.

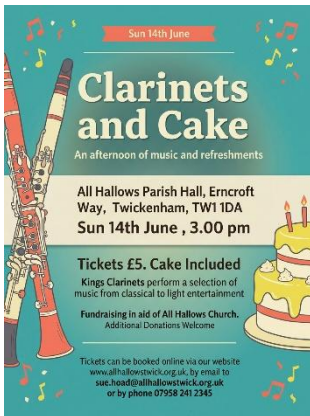

In an emergency please use the toilets at the back of church.

We will be having chicken & mushroom pie, bean goulash and apple/forest fruits crumble. Please sign up on the list at the back of church or email sue.hoad@allhallowstwick.org.uk
