Groundworks Progress Report

On Tuesday there was a slight hiccup which resulted in our water supply to the church and vicarage being temporarily cut off but thanks to an emergency plumber the issue was resolved albeit temporarily, pending full replacement.

There has been significant progress as the attenuation tanks arrived on Friday and about half of them have already been laid down, so we are making up for some of the delays.

Please be careful when walking between the church and hall.

Cheese Wine and Music Fundraising Evening

Many thanks to Loveness and Sue for organising this. And thank you to everyone who helped, performed, donated prizes or attended this event.

The total raised will be put into the Pew Sheet next week.
